# Do you ...."J" Crew?

*"J" Crew is everything we had hoped it would be - the child to care-giver ratio is low, there is help for questions on homework, and best of all - there is play time, from capture the flag to indoor soccer - but the best is the pool! "J" Crew is responsible, organized, and fun. It's a great feeling when I arrive to pick up my son and he looks at me with that face that says "not yet mom....I'm still having fun."*

*-Kim Karnell, First Year Parent*

*"Our son has attended "J" Crew for the past 3 years. The environment and facilities are excellent, and the counselors keep the children engaged in a variety of activities. In particular, our son loves playing soccer, kickball and swimming with other children from elementary schools across Bridgewater. "J" Crew is a fun, friendly, and active afterschool program."*
