

Our new Self Service HUB provides convenient, online access to the JCC. With The HUB you can browse and register for classes, donate to a campaign, pay outstanding balances, view and print your past receipts, and view the history of your visits, donations, transactions and more. These brief instructions will help you get started.

ARE YOU READY TO BE A PART OF SOMETHING SPECIAL?

The HUB makes starting a new membership easier than ever. Once you have created an account, you can join at any time.

HOW TO CREATE AN ACCOUNT

First time visitor? Not quite ready to start a membership? We've got you covered. Simply click the **CREATE ACCOUNT** link to request a new non-member account.

ALREADY A MEMBER? LOGIN

If you are a member, or have ever taken a class with us, you have a pre-assigned login for The HUB. To retrieve your login information, click the **RETRIEVE YOUR LOGIN INFORMATION** link and enter your email address, phone number or street address. A confirmation email will be sent with your login information.

If you have any problems logging in or creating an account, please do not hesitate to contact us.

WOULD YOU LIKE TO SHOW YOUR SUPPORT?

We've made it easy to donate to a campaign. Just click the **GIVE** graphic and you will be directed to our donation page. There's no need to log in, or create an account. If you would prefer to log in, we also have a link to donate directly from your virtual **Welcome Center** page.

Once you are on the Donation page, you can review the list of our campaigns. Then click **ADD MY GIFT** when you are ready to support our cause. Once your selections are made, click **GO TO CART** to check out, or you can continue with other transactions.

SEARCH & ENROLL IN PROGRAMS

You can browse for programs in two ways:

Directly from the landing page before logging in, by clicking the **ENROLL** graphic. OR From the **REGISTER** link on your virtual Welcome Center page.

Once you are on the Programs page, follow these easy steps to search and register for classes, programs, or events:

1. Browse by the type of program (**CATEGORY**) or by your local **BRANCH**. You can also type in a **KEYWORD**, such as Yoga, to see all programs with that word in the description.
 2. Select as many categories as you would like, then click next. You will see all programs, classes, or events offered from your selected categories.
 3. Click on the programs you'd like specific information about, and click **NEXT**. You will see a page similar to the one on the left. If more than one person in your family wants to sign up for a class, you still only need to add it once.
- On this interactive page, you can narrow your search, hover over areas of a class to see more details, and add programs to your cart by clicking the green ADD TO CART button beside each chosen program. You can even share a class with your friends on Facebook, Twitter, and other popular social network sites with our handy social media tools.*
4. You will be required to log in to sign up for a program, class, or event.
 5. When you are ready to check out, click **GO TO CART** at any time. Then select the members of your family who will participate in your selected programs, classes, and events.
 6. Click **CHECKOUT** to pay with a gift card, PayPal, or a credit or debit card.
