The JCC Sustainability Fund is critical in order for the JCC to carry out our Mission. Each year the JCC gives out more than \$500,000 in scholarship assistance. Your sponsorship donation will support:

- The Benjamin M. Butler Camp Scholarship Fund, providing financial assistance so that children of all backgrounds can enjoy summer camp, and families have much-needed child care.
- The JCC Early Childhood Education Scholarship Fund, insuring children can have an equal opportunity for an early childhood education, regardless of their background.

A wide variety of programs and services for children and adults with disabilities, including: The J-Cares Adult Intern Program, providing social, recreational and enrichment programs; The J -Zone respite program, offering recreational fun for children, and providing families and guardians with much-needed time for themselves; The JCC Rising Tide Special Olympics Swim Team, a volunteer organization introducing children and adults to the wonders of swimming; Individualized and tailored support to early childhood students and campers who require 1:1 staff.

Plus, so much more.
